

You are cordially invited...

Respiratory Education Seminar (RES)

**“The Recognition and Management of
Respiratory Distress in Children”**

Joe Rush, BS, RRT-NPS

Tuesday, October 14, 2008

5:30 pm - 6:30 pm

Madonna Rehabilitation Hospital

5401 South Street

Lincoln, NE 68506

Lau Conference Room

No Cost

To register: Call 402-483-9550 or 402-483-9406

Purpose: To explain the pertinent diagnostic and treatment options in the management of respiratory distress in children and the importance of the interdisciplinary teams role.

At the conclusion of this presentation the participant will be able to:

- 1. Describe the patho-physiology of respiratory distress in children**
- 2. Identify the subtle and acute signs and symptoms of respiratory distress in children.**
- 3. Summarize the treatment interventions in the management of respiratory distress in children**

LAU Conference Room: Enter Madonna off of South Street. Park in Visitors Parking. Enter the Main Entrance. Take an immediate Left passed the information desk. At the end of the hallway take another Left into the Institute for Rehabilitation Science and Engineering. The Lau will be on the Left just passed the reception desk.
